Chapel Down is England's leading wine producer with an award-winning range of sparkling and still wines. Based in Kent, in the heart of the Garden of England, Chapel Down produce wines of the highest quality and which we believe offer the best expression of England. Our Chardonnay, Pinot Noir, Pinot Meunier and Bacchus vines are grown on south facing chalk soils and benefit from a warm, maritime climate. We also source high quality fruit from long-term partner vineyards across Kent, Sussex and Essex, resulting in balanced wines with unique flavour profiles.
